

Saved His Life—

Feels 20 Years Younger

MR. H. CHESTER FREEMAN.

induced me to give it a trial. Almost immediately I began to feel a change for the better. I am working harder to-day than ever before and feel as I did twenty years ago. Nothing in the world but Duffy's Pure Malt Whiskey brought about my present condition, and I am never without a bottle of this wonderful stimulant in my room. It is my only medicine." H. Chester Freeman, 224 South Clark St., Chicago, Ill.

Duffy's Pure Malt Whiskey

is one of the greatest strength builders and tonic stimulants known to science. Its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach. Overworked men, delicate women and sickly children will find in it the health and strengthening properties that are so necessary to them. It strengthens and sustains the system; is a promoter of health and longevity; makes the old feel young and keeps the young strong and vigorous. It is prescribed by physicians and recognized as a family medicine everywhere. You should have it in your home. It will do you good.

If in need of advice, write Medical Department, The Duffy Malt Whiskey Co., Rochester, N. Y., stating your case fully. Our doctors will send you advice free, together with a valuable illustrated medical booklet, containing rare common sense rules for health which you cannot afford to be without, and some of the many thousands of gratifying letters from men and women in all walks of life, both old and young, who have been cured and benefited. Sold IN SEALED BOTTLES ONLY by druggists, grocers and dealers or direct, \$1.00 per large bottle.

STILL ANOTHER DAY
GRAND JURY WORK

Two Installments of Indictments Returned Yesterday.

The United States grand jury did not quite finish its work yesterday, though it has put in two busy days. It is understood to be engaged on a matter of some importance though the nature of it has not been given out.

Two reports were submitted yesterday. The first included the cases of five Chinamen held for unlawfully receiving and concealing opium. It is understood that all of them will plead guilty today.

Late in the afternoon another report was turned in. There were eleven indictments. One was against Ben Gonzales, charged with conspiracy for a violation of the Edmunds law. The witnesses against him were Tuck King, another conspirator, and Julia Ruiz, who had been brought back from the reform school to testify against him.

Norris, an Indian, was indicted for violation of the Edmunds act. Bills were found against the following for selling liquor to Indians: Juan Lopez, Guadalupe Muringua, Ambrosio Cruz, D. Hernandez, Frank Barrett, Valencio Garcia, Tom McCarthy, John Wina and Ambrosio S. Cruz.
The cases of Jose Luna and Toribia Espinosa, held for the sale of liquor to Indians, were ignored.

MY CREDITOR.

I meet him dejectedly,
Promised to pay
And then unexpectedly
Had to delay.

I promised disdainfully
Part of his bill;
A promise I painfully
Failed to fulfill.

He followed me ghoulishly
Day after day,
That fellow I foolishly
Promised to pay.
